PLOT PLAN

Please show location of new structure in relation to property lines on all four sides. Please show distance to roadway and location in relation to other structures and/or landmarks.

80 feet from center of surveyed roadway

20 feet from rear property line

10 feet from side property line

Will this installation require demolition of an existing structure? ___yes ___no

Is this property considered a "Wetlands" ___yes ___no

If yes, a Corps of Engineers permit must be presented with application for review

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or local law regulating construction or the performance of construction. I also hereby authorize the access to the property and/or structures for purpose of inspections and verification of information provided herein. In making this application I agree that I am aware of the zoning of the location and the zoning of the adjoining location in which I wish to install this building(s) and agree the uses allowed by these zones may continue.
