(Please make checks payable to: Caribou County Planning and Zoning)
Road Name Change Request: Dependent upon cost of time plus sign charges

Note

The fee associated with the new address pays for the time and material it takes to issue and implement a GPS location into the Caribou County E911 system. It also includes an initial marker installed with the proper signage needed to meet county code.

The application for a new address may be rejected if it does not meet the criteria in Chapter Six of the Caribou County Zoning Ordinances. **The location for the new address needs to be clearly flagged in the center of the proposed structure.**
