Other: _____ Square Footage: _____ x _____ = _____ Total sq. ft.

Electricity: Yes ___ No ___ **Plumbing:** Yes ___ No ___ **Gas/Propane:** Yes ___ No ___

APPLICANTS CERTIFICATION/SIGNATURE

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. I have received a copy of the applicant checklist and agree to the outlined requirements. Further I agree to adhere to the inspections required. The granting of the permit does not presume to give authority to violate or cancel the provisions of any State of Idaho law or local law regulating construction or the performance of construction. I also hereby authorize access to the property and/or structures for the purpose of inspections and verification of information provided herein.

Applicant Signed _____ Date: _____

Building Inspector Signature: _____ Date: _____

PLOT PLAN

Please show distances or approx. distances to property lines on 3 sides of project site and distance to the center of the roadway. Show location of project in relationship to other structures/landmarks. You may also print a Google Earth Aerial image of your property and indicate on the image the above requirements.

Agricultural buildings for hay, potato and grain storage are required to be set back 100 feet from the edge of the road right of way.

PLOT PLAN	

Setbacks are determined by which zone the property is in as well as the type of building and intended use. Setbacks are measured from the edge of the Right-of-way.

For the **Agricultural Zone** Setbacks see County Zoning Ordinance Chapter 3 Section 18
For the **Low Density Residential Zone** Setbacks see County Zoning Ordinance Chapter 4 Section 26

DEMOLITION APPLICATION:

Is this an alteration or addition that will require some demolition? Yes ____ No ____

If yes, a completed EPA Asbestos Demolition form must be present with application.

WETLANDS DETERMINATION:

Is this property considered a "wetlands"? Yes ____ No ____

If yes, an Army Corp of Engineers permit must be presented with application.

Office Use:

Zoning Certificate Completed Date: _____

Date Received: _____

Date Approved: _____

APPLICANT PAGE CHECK LIST (please retain)

159 South Main Street Room 105
Soda Springs Idaho 83276

Office (208)547-1780
Cell (208)221-4898

THE FOLLOWING INFORMATION MUST BE SUBMITTED BEFORE A BUILDING PERMIT IS APPROVED AND ISSUED.

- 1) Plans and specifications of the building. Plans for dwellings must be a minimum of 18 x 24 inches and contain the following:
 - a. Design Criteria-frost depth-36 inches from bottom of footing
 - b. Truss design and other snow load information-60 pound roof snow load
 - c. Seismic support location required for D1 seismic zone
 - d. Engineering if required or applicable
- 2) Copy of septic system permit issued by Southeastern District Health Department if applicable
- 3) Copy of warranty deed to property and history of property splits if applicable
- 4) Physical address and address application if applicable

You are required to call and schedule inspections for the following phases of the project. Failure to do so may cause your permit to be revoked and a Stop Work Order be issued. You cannot move onto the next phase until you have been approved to do so by the Building Inspector. To schedule an inspection call Blake Poulsen at 208-221-4898.

- 1) **Setbacks** - Stake out the structure footprint at the site location before excavation begins.
- 2) **Footings** - When the rebar and molds have been placed and before concrete is poured.
- 3) **Foundation** – When the rebar and molds have been placed and before concrete is poured.
- 4) **Rough-In** – After the framing, plumbing and electrical* has been installed and before insulation is placed.
- 5) **Insulation** – When the insulation is installed and before sheet rock work begins.
- 6) **Sheet Rock** – When all sheet rock is placed and fully installed and before any mud is placed on the screws.
- 7) **Final Inspection** for Occupancy Permit.
