**Set Backs: TO RECEIVE A PERMIT YOUR STRUCTURE MUST COMPLY WITH
ZONING ORDINANCE SET BACK REQUIREMENTS**

Your structure is required to be set back 80 feet from the center of any roadway or 50 feet from the edge of a surveyed roadway. Your structure is to be located ten feet from your side property line and twenty feet from your rear property line. This permit will be revoked if your structure is not placed with these requirements. Upon your permit being revoked, your structure will be required to be removed from the property. Violation of County set back ordinance carries a \$300 fine for each day of violation or six months in the County jail or both fine and imprisonment.

Applicants Certification/Signature Application must be signed to receive permit.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be compiled with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or local law regulating construction or the performance of construction. I also hereby authorize access to property and/or structures for the purpose of inspections and verification of information provided herein.
